

Community Health Expo

“Promoting Positive Health in Our Community”

Dear Prospective Vendor,

The City of Tolleson will host its Annual Community Health Expo on **Saturday, November 4, 2017** from 10:00 a.m. to 1:00 p.m. at Tolleson Veterans Park. We are inviting all organizations who provide health, safety, social, behavioral, job, and community services to join us in this event.

This event will be a great opportunity for your organization to interface with the community and promote your services to West Valley residents.

Applications for profit and non-profit organizations are being accepted. Vendor spaces are free for organizations that are non-profit or provide a screening service. All other vendor spaces are \$25.00. Our goal is to inform residents of the variety of resources available to them that can improve their quality of life.

Please return the attached vendor application form and payment no later than Friday, October 20th, **as space is very limited**. If you have any further questions, please contact me at (623) 936-2754.

Regards,

Ruth Espinoza
